Re: New Site Manager Lakeland and Jacksonville

I am pleased to announce the appointment of Charles Walton to the position of Site Manager for Jacksonville, Florida and Nathan Munger for Lakeland, Florida with Amware Pallet Division.

Nathan comes to us from Cott Beverage and has several years of management and manufacturing experience. He will be working with Tom Ewing, and several existing site managers for training and guidance.

Charles comes to us from Ennis Paint, where served as site manager for several years. Charles will be working with Eric Potts over the next 30 days as he transitions in his new role in the Warehousing division of Amware. Eric will remain on site to assist with special projects and training for the next 2 weeks.

**Lakeland** - Nathan can be reached at the following numbers and email:

- Office: 863-688-4643
- Email: [lakelandsm@amwarelogistics.com](mailto:lakelandsm@amwarelogistics.com)

**Jacksonville** - Charles can be reached at the following numbers and email:

- Office: 904-714-2066
- Email: [jacksonvillesm@amwarelogistics.com](mailto:jacksonvillesm@amwarelogistics.com)

Please join me in welcoming both Nathan and Charles to our organization. We appreciate your support in providing leadership and guidance for both these new site managers.

Regards,

Mary Jones
